

MY BODY IS THE HOME OF MY SPIRIT

Formulated with healing Australian native plant extracts and nourishing essential oils, Akorah is as pure and pristine as its beautiful home, Australia's Blue Mountains. Akorah is based on three signature blends of essential oils – Spirit, Thrive and Dream – each offering a unique sense-orientated experience that replicates a visit to the spa.

Dream

Invoking the peacefulness of the Blue Mountains, lavender, chamomile and cinnamon are blended to bring a sense of relaxation and calm.

Spirit

The awe-inspiring glow of the Blue Mountains at sunset inspired this citrus, juniper and mint blend formulated to cleanse and detoxify.

Thrive

Inspired by the lush rainforests of the Blue Mountains, ylang-ylang, rosewood and lemongrass come together to uplift and energise
