## ESSENTIALS SKINCARE

### Daily Skin Nutrition

**Embrace earth's essential nutrients for glowing, vibrant skin.** Powerful phyto-actives combine with advanced technology to achieve beautifully dramatic results. Essential vitamins, minerals, antioxidants and super-nutrients help nourish, protect and transform your skin.

Essentials Skincare is a complete facial system designed to make a distinctive difference in your skin's well-being and appearance. Skin looks firmer, smoother and more hydrated. Signs of aging are softened. Skin glows. **Pure ingredients. Essential daily skin nutrition.**

## DAILY SKINCARE

Kerstin Florian products complement each other and work as a comprehensive system to promote healthy-looking skin. Simply follow the four-step regimen. **cleanse. tone. treat. moisturize.** Use an exfoliant, masque or corrective treatment once or twice a week to achieve dramatic results. Three complete, yet simple lines work synergistically to address all skin types. **Rejuvenating:** Normal, dry and aging skin; **Rehydrating:** Normal, dehydrated and sensitive skin; **Clarifying:** Combination and oily skin.

REJUVENATING

REHYDRATING

CLARIFYING

.....

**REJUVENATING** Nourish and renew stressed skin while reversing the visible signs of aging. Re-energize and protect with botanically-rich, technically advanced formulas featuring Rose, Spirulina, Botanical DNA and a host of antioxidants. Reestablish your skin's natural defense system while brightening color and improving texture. Recapture vibrant, youthful-looking skin.
